**BACK** **PROPOSITION 1B: GOODS MOVEMENT**

The Proposition 1B: Goods Movement Emission Reduction Program (GMERP) provides incentives to quickly reduce air pollution emissions and health risk from freight movement along California's trade corridors. Financial incentives will be provided to owners of equipment used in freight movement to upgrade to cleaner technologies through various options for trucks. Projects funded under this Program must achieve emission reductions not required by law or regulation. Please note that the Proposition 1B Goods Movement Emission Reduction Program is not a rebate program. Any purchase or installation prior to contract execution is ineligible. Please sign up for our [incentive Programs e-mail lists](#) for notifications when the application period opens and other program related updates. For additional information please contact the District's Proposition 1B Staff by email at [grants@valleyair.org](mailto:grants@valleyair.org) or phone (559) 230-5800.

**Application Period: Solicitation open from 04/5/2021 - 06/01/2021 or until the District receives a requested total of \$8 million on application.**

**TOTAL FUNDING AMOUNT REQUESTED TO DATE:**

**\$0.00**

The total funding amount requested per date is updated every Monday and Thursday by close of business. The District will close the solicitation once the requested funding amount exceeds \$8 million or on 06/01/2021, whichever comes first.

# Prop 1B: Contracting & Implementation Guidelines

# Contracting & Implementation Guidelines

After the award notification is received:

1. Sign an agreement with the SJVAPCD agreeing to project milestones and completion deadlines
2. Purchase the new truck(s)
  - New truck(s) purchased prior to agreement execution are ineligible for funding
  - Purchase a minimum of 1-year or 100,000-mile major engine component warranty that covers parts and labor

# Contracting & Implementation Guidelines

3. Scrap the old truck with a SJVAPCD contracted dismantling facility
  4. Submit a claim for payment packet
  5. SJVAPCD will perform a post-monitoring inspection on new and old scrapped truck
  6. Upon confirmation, payments shall be made to:
    - The vehicle owner, if invoice is paid in full.
    - The vehicle owner *and* dealership by method of two-party check with a remaining balance on invoice.
- *Note: Please allow up 60 days from the time a claim for payment is deemed complete to receive funding*

# Contracting & Implementation Guidelines

7. Adhere to all program requirements during the project life (5 years or 500,000 miles)
8. Maintain replacement value insurance for the vehicle through the full term of the agreement
9. Submit annual reports to the SJVAPCD through the full term of the agreement (includes copies of vehicle registration and insurance)
10. Agree to allow the SJVAPCD or its representatives to inspect the replacement vehicle upon request

# Key Reminder - Application Process

- Submit program application
- Wait to purchase trucks until you have received a fully executed contract from the SJVAPCD
- Stay compliant with CARB Truck and Bus Regulation
- Keep truck registered, insured and in operation until replaced
