Date received for filing by OPR:

Description of Project: Cal Graphics, LLC request Authority to Construct (ATC) permits to relocate three box manufacturing machines from existing facility to a new facility and install one new paper box manufacturing machine. Each machine includes a flexographic printer, and a die cutter. The scraps from the die cutter will be vented through a common cyclone.

Name of Public Agency Approving Project: San Joaquin Valley Unified APCD

Name of Person or Agency Carrying Out Project: San Joaquin Valley Unified APCD

Exempt Status: (Check one)

Ministerial: §21080(b)(1); 15268

Declared Emergency: §21080(b)(3); 15269(a)

Emergency Project: §21080(b)(4); 15269(b)(c)

Categorical Exemption: (State type and section number)

Statutory Exemptions: (State Code number)

X General Exemption: Section 15061(b)(3)

Reasons Why Project is Exempt: The project is the installation of four corrugated box manufacturing machines. As discussed in the Engineering Evaluation, the project will not have a significant effect on the environment. District staff concludes that there is no substantial evidence in the whole record before the District that the proposed project would cause any adverse effects on the environment. The District finds that the project is exempt per the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment (CCR §15061(b)(3)).
