

RULE 5180 LACK OF PERMIT (Adopted May 21, 1992; Amended December 17, 1992; Amended December 16, 1993)

1.0 Requirements

- 1.1 When a Permit to Operate is required by District rules, the Hearing Board shall not receive or accept a petition for a variance for the operation or use of any equipment until a permit to operate such equipment has been granted or denied by the APCO. An appeal from a denial of a permit and petition for a variance may be filed with the Hearing Board in a single petition. A variance granted by the Hearing Board after denial of a permit by the APCO may include a permit for the duration of the variance.
- 1.2 A variance shall not be granted from the requirement for an Authority to Construct to build, erect, alter, or replace any piece or pieces of equipment.
