5. Emergency Variances:

The Northern Region Hearing Board approved the following emergency variance orders:

A. Docket #N-05-07E – International Corn Products

On April 25, 2005, Hearing Board Chairman Mr. Mark Kanai approved an emergency variance effective from April 26, 2005, to April 29, 2005. Said variance provided relief from the requirements of District Rules 2010, 2070.7.0, 2080, 2520, 2201, and 4703, to allow the continued operation of the subject turbine unit without water injection during a start-up period following the replacement of the turbine control system. Additionally, the variance allowed the TREU boiler unit to operate in conjunction with the turbine unit during the start-up period.

6. Public Comments:

This time is made available for comments from the public on matters within the Board's jurisdiction that are not on the Agenda. It is requested that no comments be made during this period on items on the Agenda. The public may make comments after each Board Agenda Item during the time allowed for public comment. Additionally, state law prohibits the Hearing Board from acting on matters that are not on this Agenda:
