

# \$\$\$ to Burn Cleaner Program

up to

\$500

\*up to \$1,500 for low-income

**Do you have a fireplace or older wood-burning unit?**

**Would you like money toward a newer, cleaner stove or insert?**

**The Burn Cleaner woodstove change-out program is for you!**

Older, wood-burning stoves and inserts – and open-hearth fireplaces – emit substances that pollute our air basin. By switching to a cleaner-burning device, you can reduce these dangerous emissions and save money!

**The type of unit you can purchase depends on what you are replacing.**

### **Incentives!**

You can receive up to \$500 cash back on your purchase – \$1,500 if you are a low-income resident (verification required)!

### **Eligible areas**

If you live within the boundaries of the San Joaquin Valley Air Pollution Control District, you may be eligible!

Residence must be in San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare or the portion of Kern County within the Valley air basin.

### **The Valley Air District is offering cash back on the purchase of a:**

- Freestanding gas stove or gas insert = \$500
- Freestanding pellet stove or pellet insert = \$250
- Freestanding certified wood stove or certified wood insert = \$100
- Low Income (any device) = \$1,500

### **To apply**

Visit our website at [www.valleyair.org](http://www.valleyair.org) under the Grants and Incentives tab for more information. Any device purchased prior to receiving an authorized voucher is ineligible.

**You can also contact the Grants Department at (559) 230-5800 or [weberip@valleyair.org](mailto:weberip@valleyair.org).**

\*Join our email list at <http://www.valleyair.org/lists/list.htm> and click on Burn Cleaner Program.
