

**AJITH KADUWELA, PH.D.**

**Manager, Regional Air Quality Modeling Section, Planning and Technical Support Division, California Air Resources Board - Dept of Land, Air and Water Resources, University of California, Davis**

Dr. Kaduwela has worked since 1996 at the ARB. His work addresses photochemical stimulation of ozone, particulate matter and regional haze formation.

He earned his B.S. in chemistry and mathematics from the University of Colombo, Sri Lanka, and a Ph.D. in chemical physics from the University of Hawaii at Manoa. He did postdoctoral training in materials sciences at the Lawrence Berkeley National Laboratory and in physics at UC Davis.
