Unless otherwise noted, I authorize the investigation of all statements given in this application, including contacting present and former employers. SIGN HERE _____ DATE _____	

ALL FIEDLS ON BOTH PAGES OF THIS APPLICATION ARE REQUIRED.

IMPORTANT:

In order to obtain certification, applicants must have at least six (6) months of experience in performing and/or assisting in performing vapor recovery performance testing. Please include all relevant vapor recovery performance testing experience on the attached employment history form.

The International Code Council (ICC) certification exam for Vapor Recovery System Testing and Repair is a prerequisite for the SJVAPCD Gasoline Dispensing Facility Tester Certification Course. An individual's ICC certification for Vapor Recovery System Installation and Repair shall not serve as a substitute for the aforementioned certification.

The payment of a biennial renewal fee is required to keep certification current and will be billed to the certified individual approximately 60 days prior to payment due date every 24 months.
