

San Joaquin Valley Air Pollution Control District
Supplemental Application Form

**Permit-Exempt Equipment Registration (PEER) Application for
Dormant Agricultural Internal Combustion Engines**

Please complete one form for each engine.

This form must be accompanied by a completed General Permit-Exempt Equipment Registration (PEER) Application form

Is the engine dormant (Not in operation for an extended period of time)? Yes No

If No, stop here (this is not the correct form for your engine). Please complete the correct PEER supplemental application form, found at www.valleyair.org

If Yes, check the appropriate dormant-verification method:

Engine is physically disconnected from fuel supply.

Engine is equipped with an operational hour-meter.

The current meter reading (not to exceed) is: _____ hrs

PEER to be issued to (facility name):

Engine Location:

Was the engine installed under a District grant program? Yes No

If Yes, please complete the following fields where possible:

- District funding project number: _____
- Serial number engine: _____

If you have provided the District funding project number and serial number, this form is complete and may be submitted.
