## Portable Equipment Registration Program

### Emergency/Low-Use Form for Non-Certified (Tier 0) Portable Diesel IC Engines

Registration issued to: \_\_\_\_\_

Registration #: \_\_\_\_\_ Engine Serial#: \_\_\_\_\_

Process Engine Serves: \_\_\_\_\_

I wish to convert my registration of portable equipment to Emergency status as “Emergency” is defined in the CA Air Toxic Control Measure (CCR section 93116.2(11)). Emergency use means I will not operate my engine more than 100 hours per calendar year for maintenance or testing, and I will replace my engine with a Tier 4 certified engine within two years of the Tier 4 engine becoming available for my class and category of source.

Registration #: \_\_\_\_\_ Engine Serial#: \_\_\_\_\_

Process Engine Serves: \_\_\_\_\_

I wish to convert my registration of portable equipment to Low-Use status. Low-Use means I will not operate my engine more than 80 hours per calendar year and I will replace my engine with a Tier 4 certified engine within two years of the Tier 4 engine becoming available for my class and category of source.

I hereby certify that all information provided in this application and any attachments is true and correct.
