

INTERNAL COMBUSTION ENGINES PORTABLE EQUIPMENT REGISTRATION SUPPLEMENTAL APPLICATION

This form must be submitted in conjunction with the PORTABLE EQUIPMENT REGISTRATION APPLICATION form.

1. REGISTRATION TO BE ISSUED TO:

2. WILL THE EQUIPMENT BE REGISTERED AS NON-OPERATIONAL? YES NO

If YES, a non-operational registration will be issued. Emission units registered as non-operational at the time of initial registration shall not be operated until the District has evaluated the equipment and has issued a revised registration authorizing equipment operation. The registered owner or operator shall submit a written request, including the standard registration fees, to activate non-operational equipment. The District shall have up to 30 days to act on such requests.

3. COMPLETE THE TABLE BELOW: IC ENGINE EMISSION FACTORS
In grams per Brake Horsepower-Hour, g/BHP-HR

SERIAL #	MANUFACTURER	MODEL #	NOx	SOx	CO	VOC	PM10

4. INDICATE THE SOURCE OF THE EMISSION FACTORS.
 Emission Tests Manufacturer's Guarantee/Estimate Other
Please provide the appropriate supporting documentation.

5. INDICATE THE MAXIMUM RATED POWER OUTPUT OF THE ENGINE (BHP): _____

6. THE INITIAL DATE OF OPERATION OF THE ENGINE: _____ Attach documentation of historical operation.

7. PROCESS THE ENGINE SERVES: _____

8. EMISSIONS INFORMATION:

EPA/ARB Teir certification level (0, 1, 2, 3 or 4): _____ If certified, provide documentation of resided (operated) in CA.

If non-certified, you must provide documentation of being operated in SJV between 03/04/04 and 10/01/06. Non-certified engines may not operate beyond December 31, 2009.

9. CONTROL EQUIPMENT INFORMATION:
Please indicate which of the following is applicable.

Turbocharged Intercooled Aftercooled Timing Retarded 4° PCV
 NSCR Pre-Certified, Certification #: _____

10. INDICATE THE MAXIMUM ANTICIPATED OPERATING TIME, IN HOURS PER DAY:

SUPPLMENTAL APPLICATION FOR
PORTABLE IC ENGINE REGISTRATION

- INSTRUCTIONS -

- A. A non-refundable fee of \$177.00 is required for each emissions unit that will be registered (\$12 is required if the equipment will be registered as non-operational). \$106 will be credited for the first year's operation. An emissions unit is any distinct internal combustion engine with a maximum rating greater than 50 hp. If you do not know the total number of emissions units, the District will determine that for you and send a bill for the appropriate fee. Make checks or money orders payable to the SJVAPCD.
- B. **Line 1.** Indicate the name of the business exactly as it should appear on the Portable Equipment Registration.
- C. **Line 2.** Indicate if the engine will be registered as non-operational. If non-operational, the engine may not be operated until a valid portable registration application has been processed by the District.
- D. **Line 3.** Indicate complete the engine information as complete as possible. If information is unknown, the District will attempt to gather the information independently.
- E. **Line 4.** Identify the source of the emission factors.
- F. **Line 5** Indicate the maximum rated brake horsepower (bhp) of the engine.
- G. **Line 6** List the date that the unit was initially operated in California.
- H. **Line 7.** Identify the process the engine is coupled to (for instance, electrical generator, grinder, etc.)
- I. **Line 8.** Indicate EPA/ARB Tier certification level. If the engine is not certified, please indicate by a "0". If the engine is **not** certified, please provide documentation (purchase, maintenance, or fuel records, etc.) that show the engine operated in the District sometime between March 4, 2004 and October 1, 2006. If the engine **is** certified, please provide documentation (purchase, maintenance, or fuel records, etc.) that show the date the engine first operated in California. **If the engine is not certified, it may not operate beyond December 31, 2009.**
- J. **Line 9.** Check all known emissions control equipment installed on the engine. Write the EPA/ARB certification number on the line given.
- K. **Line 10.** Indicate the maximum anticipated operating time, in hours per day.

Applications may be submitted by mail or in person at any District office. The District is pleased to provide small businesses with assistance in all aspects of the registration process. Businesses are welcome to call the **Small Business Assistance (SBA) Hotline** or visit the Small Business Assistance Office located in each of our regional offices. No appointment is necessary. For more information call the SBA Hotline serving the region in which your business is located.
