

CORDLESS ZERO-EMISSION COMMERCIAL LAWN & GARDEN EQUIPMENT DEMONSTRATION PROGRAM

EQUIPMENT USER SURVEY INSTRUCTIONS

Participants of the Cordless Zero-Emission Commercial Lawn and Garden Equipment Demonstration Program (Demonstration Program) are required to submit monthly reports to the San Joaquin Valley Air Pollution Control District (District) on the cordless zero-emission commercial lawn and garden equipment's (Equipment) performance, durability, maintenance issues, and any other relevant information appropriate to assist in the further improvement and development of the Equipment.

Please review the instructions below for the Equipment User Survey Form.

1. Participant must operate the Equipment in accordance to the minimum Equipment usage requirements in Exhibit C of the Agreement (Section 3.0 Participant Minimum Usage Requirement).
2. Please include all Equipment purchased (excluding batteries, chargers, accessories, etc.) through the Demonstration Program on the Equipment User Survey form and fill out the requested information next to each piece of Equipment. Information provided for each piece of Equipment should be based on the general use of the Equipment during an eight-hour workday.
 - In addition to the information requested on the Equipment User Survey Form, please feel free to provide any additional information in the "Comments" section of the survey, or include a separate attachment, detailing your experiences operating the Equipment (i.e., Equipment performance and/or durability in a unique situation, such as use in extreme terrain, during extreme weather, etc.)
3. Participant must submit completed Equipment User Survey form(s) to the District no later than the **30th of each month**, with the first Equipment User Survey form(s) due to the District no later than November 30, 2012.

Please submit the Equipment User Survey form(s) via one of the following methods:

Email: weberip@valleyair.org < or > **FAX:** (559) 230-6112

Please include the following title in the subject line:
Commercial Lawn & Garden Demonstration Program Survey

For questions or additional assistance, please contact Commercial Lawn and Garden Equipment Demonstration Program Staff at (559) 230-5800. A copy of the Equipment User Survey Form is also available on our website at www.valleyair.org.

***Please note that, upon completion of the Demonstration Program in May 31, 2013 and after all requirements are met, participants would no longer be required to comply with the minimum usage requirements, as specified in Exhibit C of the Agreement, and to submit the Equipment User Survey to District staff. However, Participants will be required to submit simple annual reports on the Equipment for two years, with the first annual report due to the District on June 1, 2014. District staff will send an annual report to the participant to complete thirty (30) days prior to the due date.
