Responsible Agency: San Joaquin Valley Unified Air Pollution Control District
Address: 1990 East Gettysburg Avenue
Fresno, CA 93726-0244
Contact: Daniel Barber, Ph.D.
Phone: (559) 230-5840

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number: 2004031019

Project Title: B-17 Landfill Project

Project Location: Approximately 1 mile north of State Highway 41, approximately 3.5 miles west of Kettleman City, 6.5 miles south of the City of Avenal, and approximately 2.5 miles west of Interstate 5.

Project Description: The San Joaquin Valley Unified Air Pollution Control District (District) received Authority to Construct (ATC) Applications, for Chemical Waste Management, Inc. to add an 18.4 million cubic yard capacity Class II/III municipal solid waste landfill B-17 (permit C-283-25) with a gas collection and control system (GCCS) routed to an existing 2,500 scfm enclosed flare shared with landfill B-19 (permit C-283-22). In addition, the applicant proposes the following modifications to the landfill operation:

- I. Modify the operating schedule to include Saturdays. The facility would accept municipal solid waste (MSW) from 8:00 am to 6:00 pm Monday through Saturday and a total of 310 operating days per year.
- II. Facility-wide total combined Class II/III waste material and Class II soil acceptance rate shall not exceed 620,000 tons per year.
- III. Facility-wide total combined Class II soil acceptance rate shall not exceed 800 tons per day.
- IV. Facility-wide total combined clean (non-contaminated) soil coverage usage rate shall not exceed 6,000 tons per day.
- V. Facility-wide total combined Class II/III waste material acceptance rate shall not exceed 2,000 tons per day.

This is to advise that the San Joaquin Valley Unified Air Pollution Control District, acting as a Responsible Agency, has approved the above described project on May 15, 2008 and has made the following determinations regarding the above described project:

1. The project will will not] have a significant effect on the environment.
2. The District considered the Environmental Impact Report as prepared by the County of Kings.
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was was not] adopted for this project.
5. A Statement of Overriding Considerations was was not] adopted for this project.
6. Findings were were not] made pursuant to the provisions of CEQA.

This is to certify that the District's Findings Document, is available to the General Public at:
Central Region Office 1990 E. Gettysburg Street, Fresno, CA
