

Bakersfield Californian

Newspaper notice for publication in Bakersfield Californian and for posting on  
valleyair.org

---

**NOTICE OF FINAL DECISION  
FOR THE ISSUANCE OF AUTHORITY TO CONSTRUCT AND  
SIGNIFICANT MODIFICATION OF FEDERALLY  
MANDATED OPERATING PERMIT**

NOTICE IS HEREBY GIVEN that the Air Pollution Control Officer has issued the Authority to Construct permit to Paramount Farms Inc. for the installation of new nut processing equipment, at Highway 33 approximately four miles north of Blackwell's Corner, California.

All comments received following the District's preliminary decision on this project were considered.

Comments received by the District during the public notice period resulted in a decrease in emissions. These changes were minor and did not trigger additional public notification requirements, nor did they have any impact upon the Best Available Control Technology determination or increase the amount of offsets required for project approval.

The application review, project #1142949, is available for public inspection at [http://www.valleyair.org/notices/public\\_notices\\_idx.htm](http://www.valleyair.org/notices/public_notices_idx.htm), the SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT, 34946 FLYOVER COURT, BAKERSFIELD, CA 93308, and at any other District office. For additional information, please contact the District at (661) 392-5500.
