

NOTICE OF EXEMPTION

Date: December 21, 2017

From/Lead Agency/Applicant: San Joaquin Valley Unified Air Pollution Control District
1990 East Gettysburg Avenue
Fresno, CA 93726
559-230-6000

To: County Clerk/Recorder
County of Fresno
2221 Kern St.
Fresno, CA 93721

Project Title: San Joaquin Valley Unified Air Pollution Control District (District):
Proposed Amendments to District Rule 9510 (Indirect Source Review)

Project Location - Specific: Not Applicable

Project Location - City: All cities within the San Joaquin Valley Air Basin (SJVAB)

Project Location - County: All counties in the San Joaquin Valley Air Basin (SJVAB): Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare.

Description of Project: The District is proposing to amend District Rule 9510 (Indirect Source Review (ISR) Rule) to ensure that the ISR rule applies consistently throughout the San Joaquin Valley (Valley) by eliminating the source of applicability inconsistency to ensure that all large development projects are subject to the ISR rule. The District is also proposing to enhance and clarify several aspects of the rule. The revisions include all of the following: refining the applicability mechanism; clarifying "Development Project" definition; removing reference to "URBEMIS"; adding seismic safety to reconstructions exemptions list; removing \$50,000 minimum fee deferral qualifier and down payment; payment of applicable fees required prior to generating any emissions; clarifying that off-site fee rate is based on fee rate applicable at the time of invoice issuance; credit for off-site emission reductions prior to rule adoption; requirement for a change in ownership of a project, and removing Section 11.0 the effective date.

Name of Public Agency Approving Project: San Joaquin Valley Unified APCD

Name of Person or Agency Carrying Out Project: San Joaquin Valley Unified APCD

Exemption Basis:

- Ministerial: §21080(b)(1); 15268
- Declared Emergency: §21080(b)(3); 15269(a)
- Emergency Project: §21080(b)(4); 15269(b)(c)
- Categorical Exemption: Section CCR §15308
- Statutory Exemptions:
- General Exemption: Section 15061(b)(3)

Reasons Why Project is Exempt: The District proposes to amend, enhance, and clarify the existing Rule 9510 (Indirect Source Review.) There is no other action or change associated with this project. This amendment to Rule 9510 is an action taken by a regulatory agency, the San Joaquin Valley Unified Air Pollution Control District, as authorized by state law to assure the maintenance, restoration, enhancement, or protection of the environment where the regulatory process involves procedures for protection of the environment per CEQA Guidelines §15308. Therefore, the rule amendment is exempt from CEQA according to CEQA Guidelines §15308 (Actions by Regulatory Agencies for Protection of the Environment). In addition, the District also finds that the project is exempt per the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment (CCR §15061(b)(3)).
