RE: Notice of Final Action - Authority to Construct
Facility Number: N-9793
Project Number: N-1201109

Dear Mr. Winton:

The Air Pollution Control Officer has issued the Authority to Construct permits to Amazon.com Services, LLC for the installation of a 762 bhp diesel-fired emergency engine powering a 500 kW electrical generator and a 274 bhp diesel-fired emergency engine powering a fire pump located at 3565 North Airport Way, Manteca, CA. Enclosed are the Authority to Construct permits and a copy of the notice of final action that has been posted on the District's website (www.valleyair.org).

Notice of the District's preliminary decision to issue the Authority to Construct permits was posted on May 1, 2020. The District's analysis of the proposal was also sent to CARB on May 1, 2020. No comments were received following the District's preliminary decision on this project.

Also enclosed is an invoice for the engineering evaluation fees pursuant to District Rule 3010. Please remit the amount owed, along with a copy of the attached invoice, within 60 days.

Samir Sheikh
Executive Director/Air Pollution Control Officer
