

Tractor replacement applications accepted until Dec. 31

Carol Reiter

Merced Sun-Star and Sacramento Bee, Tuesday, Dec. 28, 2010

The San Joaquin Valley Air Pollution Control District will be collecting applications for agricultural tractor replacements through Dec. 31.

Applicants are encouraged to personally deliver their application and all required supporting documents to the district Fresno office, 1990 East Gettysburg Avenue in Fresno, and have a staff member review their applications for completeness.

For more information this program and which tractors are eligible, call (559) 230-5800.
