Stockton Record, Wednesday, April 20, 2011

STOCKTON - Owners of heavy-duty diesel trucks have through April 29 to apply for money to replace, power or retrofit their vehicles.

The money comes from voter-approved Proposition 1B. Owners can receive up to \$60,000 to upgrade their trucks.

Diesel trucks are a significant source of pollution in the San Joaquin Valley, with Interstate 5 and Highway 99 serving as major shipping corridors.

To apply, visit the San Joaquin Valley Air Pollution Control District at valleyair.org or call (559) 230-5800.
