

## **Kaweah Delta named air partner**

Visalia Times-Delta and Tulare Advance-Register, Tuesday, May 3, 2001

Kaweah Delta Health Care District has been named a Valley Air Living Partner by the San Joaquin Valley Air Pollution Control District.

Healthy Air Living Partners have expressed an interest in reducing emissions at their businesses and organizations to improve air quality in the Valley.

Kaweah Delta will kick off its commitment to clean air throughout the month of May by asking employees to walk, bike or take public transportation to work in an effort to improve air quality and reduce traffic congestion.
