

**Lodi Lake Nature Area Docent Program to present 'Water Quality of the Mokelumne River-Report Card to the City' on May 15**

Stockton Record, Wednesday, May 7, 2014

Lodi Lake Nature Area Docent Program will present "Water Quality of the Mokelumne River-Report Card to the City" from 7 to 9 p.m. Thursday, May 15, at the Lodi Public Library, 201 W. Locust St. in the Bud Sullivan Community Room.

Students from Lodi and Tokay High will present the 2013-2014 water quality data from their yearlong Mokelumne River monitoring project.

A guest speaker from the San Joaquin Valley Air Pollution Control District will speak about Healthy Air Living in San Joaquin Valley, encouraging the changes we all can make to improve air quality. Additionally, a local dairy has gone green, producing electricity from methane gas. Come join us and meet these Green Heroes.
