

**\*\*UPDATE\*\* NOTICE OF PUBLIC WORKSHOP  
UPCOMING PLAN FOR THE 2015 8-HOUR OZONE STANDARD  
AND 2020 RACT SIP**

\*\*\*\*\*  
**March 16, 2020 Update:** Given the international COVID-19 pandemic, and consistent with the California Department of Public Health’s recommendations and Governor Newsom’s Executive Order N-25-20, the District is updating the format of this March 17, 2020 workshop to be a webinar-only format, where members of the public wanting to participate in the workshop must do so remotely via the webcast. Members of the public participating in this workshop may submit their comments and questions to the District electronically via email at [webcast@valleyair.org](mailto:webcast@valleyair.org) while the workshop is occurring, and submitted comments will be read for other participants to hear.  
\*\*\*\*\*

The San Joaquin Valley Air Pollution Control District (District) invites you to attend a public workshop to present, discuss, and receive feedback on upcoming District planning efforts related to the federal 2015 8-hour ozone standard, including the reasonably available control technology (RACT) requirements.

DATE: Tuesday, March 17, 2020  
TIME: 3:00 p.m.

Documents for this workshop and additional information will be available at <http://www.valleyair.org/workshops>. If you are unable to review the documents online, a paper copy can be obtained by calling (559) 230-6000 or by faxing your request to (559) 230-6064.

To request Spanish interpreting services, please contact Maricela Velasquez at (559) 230-6000 at least 7 days prior to the meeting date. *Para solicitar servicios de interpretación en Español, por favor póngase en contacto con Maricela Velasquez al (559) 230-6000 por lo menos 7 días antes de la fecha de la reunión.*
