

CHARGE UP!

**Valley Businesses
+ Public Agencies**

Funds are available for
public electric vehicle chargers!

Visit www.valleyair.org/ChargeUp or call 559 230 5800
for complete guidelines and application.

Valley Businesses and Public Agencies can receive funding for the purchase and installation of new, publically accessible electric vehicle chargers.

Charger Type	Funding Amount
Level 2 Single Port	Up to \$5,000 per unit
Level 2 Dual Port	Up to \$6,000 per unit
Funding Cap	Up to \$50,000 per applicant

Application submittal does not guarantee funding. Eligible projects will be funded until program funds are exhausted.

If you are interested in purchasing and installing Level 3/DC fast chargers, please contact the District.
