

## Regulation VIII Fugitive PM10 Prohibitions 2021 Dust Control Training Schedule

The District's Compliance Department has scheduled several three-hour Dust Control Training Courses for 2021. Under the current circumstances, all courses will be held over Zoom until further notice. This course is a mandatory training for anyone who prepares and submits a Dust Control Plan to the District or will have primary responsibility for implementing a Dust Control Plan in accordance with Section 6.3 of Rule 8021 – *Construction, Demolition, and Earthmoving Activities*. Dust Control Plans are required of construction projects that involve:

- Residential developments of ten or more acres of disturbed surface area,
- Non-residential developments of five or more acres of disturbed surface area, or
- Relocation of more than 2,500 cubic yards per day of materials on at least three days of the project.

**Who Should Attend:** Any individual who represents an owner or operator of a subject construction project or prepares a Dust Control Plan in accordance with Section 6.3.6.8 of Rule 8021.

**Course Host and Schedule:** Courses have traditionally been hosted in one of the District's three regional offices on a monthly rotation. At this time all courses are being held over Zoom until further notice.
