San Joaquin Valley
AIR POLLUTION CONTROL DISTRICT®

AIR QUALITY PUZZLE GAME:

Hey Super Students!

Did you know **YOU** can help keep the air clean and healthy? That makes you a **Healthy Air Hero!** Every day, small choices you and your family make can help everyone breathe easier. Let's play a puzzle game to learn how!

1 GET YOUR PUZZLE PIECES READY

- ◊ Color all the puzzle pieces on the first page.
- ◊ Each piece shows a way to help keep our air clean.
- ◊ Carefully cut out each puzzle piece.

2 COLOR YOUR PUZZLE BOARD

- ◊ Color the puzzle board on the second page.
- ◊ Make it bright and fun!

GROWN-UPS:
There is a light outline on the board to help students find the correct matches.

3 MATCH LIKE A HERO!

- ◊ Look at each puzzle piece and find where it belongs on the board.
- ◊ Put each piece on the image that matches the clean-air action.

HEALTHY AIR HERO ACTIONS:

Here are the super actions you'll find in the puzzle:

- ◊ **Choose Earth-friendly products:** Use things that don't hurt the environment.
- ◊ **Plant a tree:** Trees help clean the air and give us cool shade!
- ◊ **Use electric yard tools (or a rake!):** Electric tools (or hand tools) make less pollution than gas ones.
- ◊ **Turn off the car while waiting:** If you're picking someone up or in a drive-through, let your parents know that turning off the engine helps keep the air clean. (If it's safe and the weather's not too hot or cold!)
- ◊ **Use cleaner ways to heat your home:** There are other ways to heat your home that make less smoke than wood-burning fireplaces.
- ◊ **Ride an electric school bus:** Electric buses are better for the air!
- ◊ **Use cleaner cars:** Electric or fuel-efficient cars make less pollution.
- ◊ **Carpool with family or friends:** Sharing rides means fewer cars on the road.
- ◊ **Check the air quality before playing outside at myRAAN.com:** Pick times when the air is cleaner, that's a true Air Hero move!

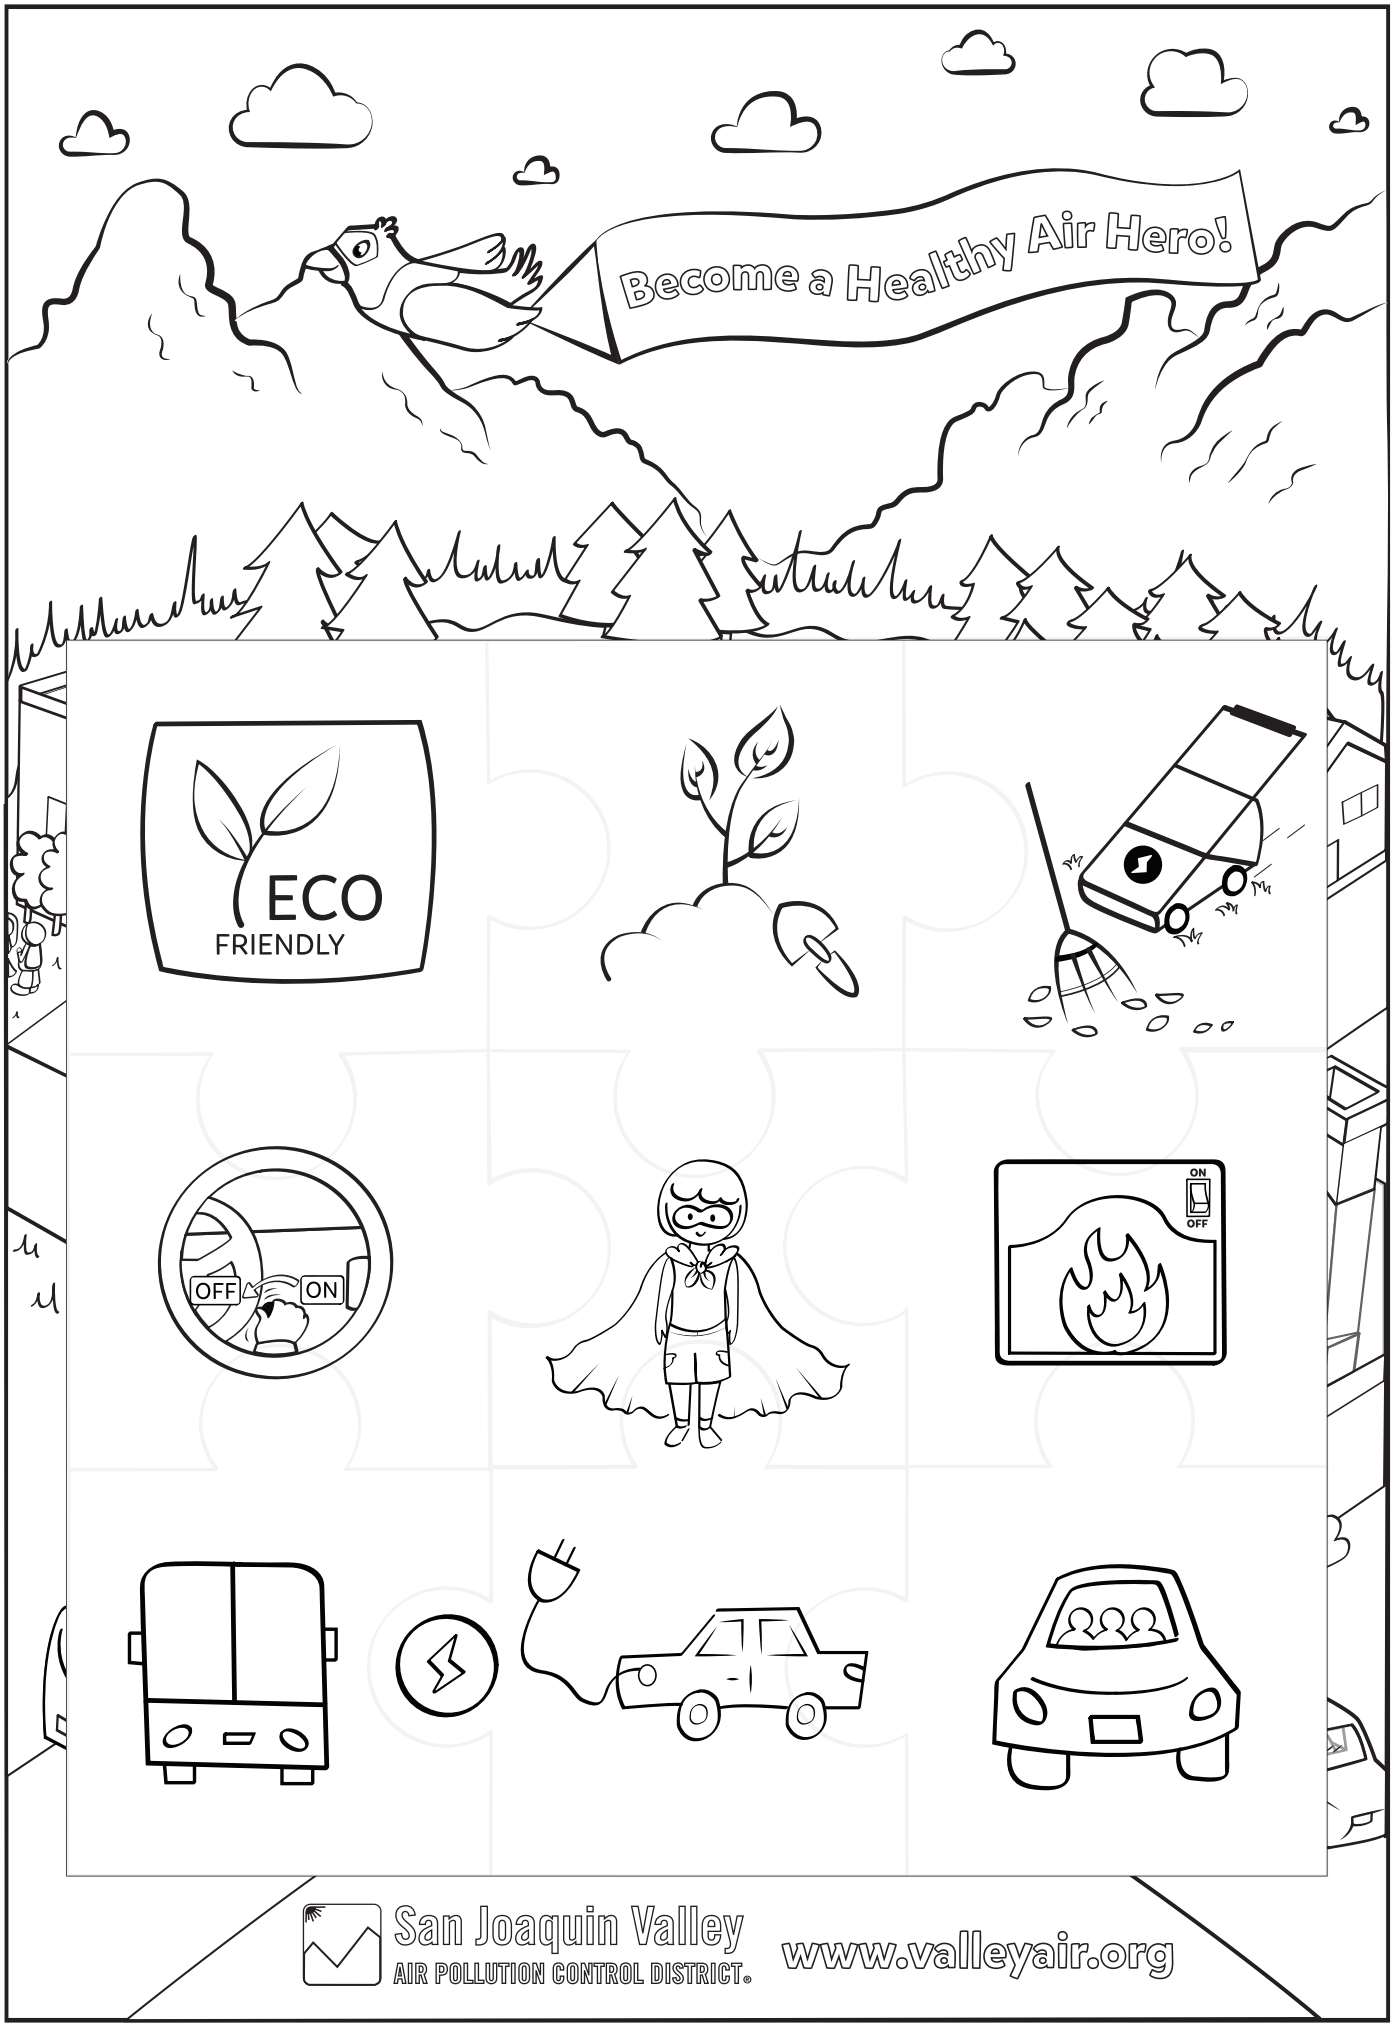

When you finish, you're officially a...

HEALTHY AIR HERO!

High five for helping the Valley breathe clean air!

San Joaquin Valley
AIR POLLUTION CONTROL DISTRICT.
