2221 Kern Street  
Fresno, CA 93721  
(559) 600-2575

(For County Use Only)

**From (Public Agency):**  
San Joaquin Valley Unified Air Pollution Control District  
1990 E. Gettysburg Avenue  
Fresno, CA 93726-0244  
Michael Corder  
(559) 230-6000

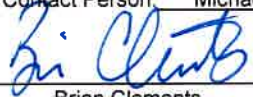

**Project Title:** Proposed 2022 Plan for the 2015 8-Hour Ozone Standard  
**Project Location (Specific):** Not applicable  
**Project Location (City):** All Cities within the San Joaquin Valley Air Basin  
**Project Location (County):** All Counties within the San Joaquin Valley Air Basin (Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare)  
**Description of Nature, Purpose and Beneficiaries of Project:** The San Joaquin Valley Unified Air Pollution Control District's (District) 2022 Ozone Plan for the 2015 8-Hour Ozone Standard demonstrates that the reductions being achieved by the District and the California Air Resources Board strategy ensures expeditious attainment of the 2015 8-hour ozone standard by the 2037 attainment deadline. Attaining federal health-based standards is an important milestone for improving public health. The 2022 Ozone Plan builds upon comprehensive strategies already in place from adopted District plans and CARB state-wide strategies. The District's current rules and regulations reflect technologies and methods that are beyond control levels established under the Clean Air Act. In addition, the District and state's incentive programs will also reduce emissions from mobile sources in the coming years.

**Name of Public Agency Approving Project:** San Joaquin Valley Air Pollution Control District  
**Name of Person or Agency Carrying Out Project:** San Joaquin Valley Air Pollution Control District  
**Applicant Name, Address, & Phone Number:** San Joaquin Valley Air Pollution Control District, 1990 E. Gettysburg Avenue, Fresno, CA 93726, 559-230-6000

**Exempt Status: (Check one)**  
 Ministerial: §21080(b)(1); 15268  
 Declared Emergency: §21080(b)(3); 15269(a)  
 Emergency Project: §21080(b)(4); 15269(b)(c)  
 Categorical Exemption: §15308 (Actions by Regulatory Agencies for Protection of the Environment)  
 Statutory Exemptions:  
 Common Sense Exemption: Section 15061(b)(3)

**Reasons Why Project is Exempt:** The project is for the 2022 Ozone Plan for the 2015 8-Hour Ozone Standard. District staff concludes that there is substantial evidence in the whole record before the District that the proposed project would not cause any adverse impacts on the environment. The District finds that the project is categorically exempt from the provisions of CEQA pursuant to CEQA Guideline §15308 (Actions by Regulatory Agencies for Protection of Natural Resources), and finds that the project is exempt per the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment (CCR §15061(b)(3)).
