## AIR POLLUTION CONTROL DISTRICT

### Health Advisory Notification

The San Joaquin Valley Air Pollution Control District announces that effective immediately, a health advisory is in effect for the following time periods:

**Wed., Aug.19, from 3 p.m. through 7:30 p.m.**

in the communities of:

**southeastern Valley portion of Kern County including Weedpatch, Arvin, Edison and surrounding foothills.**

Air pollution levels in these communities are forecast to peak sharply during this health-advisory period.

Schools are advised that sustained rigorous outdoor exercise for more than one hour by students must be discontinued (SJVAPCD Rule 6081.)

Residents are advised to protect their health by avoiding strenuous outdoor physical activity and staying indoors if possible.

Residents also can help improve air quality by avoiding the use of gas-powered equipment such as lawn mowers and leaf blowers; and postponing vehicle trips until after the health advisory period passes.
